SAVE℠
Safe Alternatives to Violent Environments

Sponsor an Evening of Empowerment!

SAVE's mission is to strengthen every individual and family we serve with the knowledge and support needed to break the cycle of domestic violence and build healthier lives. We accomplish this mission by offering a broad spectrum of programs that not only provide safety for survivors, but also by work to prevent domestic violence. Last year, we served more than 10,000 individuals across all our programs.

SAVE can do this because our community is engaged.

This is possible because of **YOU**!

Please review the sponsorship levels below, then let us know how you want to be a part of SAVE's Evening of Empowerment.
